### **Phenomenon of “nominal Christianity” in modern world**

In recent years, around the world there is a tendency associated with superficial and formal perception of the people of the Christian faith. It gives the right to approve that is happening formal, external self-reckoning person to the Christian world. We believe that this situation can be characterized as "nominal Christianity," when the modern "Christian", believing himself to be, in fact, does not seek to church involvement and prefers to live in accordance with the rules and regulations of the modern secular living.

Key words: scripture, Christianity, dogma, faith, "nominal Christians", "secular Christian", "unchurched Christians," the Gospel norms of moral perfection, sin, vice, deism, missiology, morality.
