

PEDAGOGY

Nikolay N. Zaitsev, Dmitry V. Levchenko, Andrey I. Arbuzov

(Novosibirsk military institute of army general I.K. Yakovlev of national guard troops of the Russian Federation. Novosibirsk, Russian Federation)

Level and orientation of officers' motivation as pedagogical conditions of development support effectiveness of commanders' management competence at troops department of the Russian Federation National Guards

It is considered the pedagogical conditions for accompanying the development of managerial competence of the commanders of the units of the troops of the national guard of the Russian Federation. The urgency of this problem is due to the special importance of tasking the troops to ensure the security of the state and society, the protection of human and civil rights and freedoms. The authors justify as one of the most important pedagogical conditions the effectiveness of pedagogical support for the development of managerial competence, motivation, interests, attitudes, needs, both general and military orientation.

Key words: motivation, pedagogical support, development, managerial competence, troops of the National Guard.
